## ABOUT US

Welcome and thank you for supporting the Royalla Country Fair.

The Royalla Country Fair Association is a dedicated group of Volunteers, with a constitutional objective of raising funds to assist with the construction and maintenance of this wonderful facility in the making.

Our ambition is to provide the residents of Royalla and the Canberra Community with an annual country fair, slowly growing each year with more stall holders and activities.

Please continue to view our website and Facebook page over the year as we will have other events, fund raisers and social events happening.

We have introduced our merchandise which is a must have for every resident of Royalla, to be worn or used with pride.

We thank all our sponsors, supporters, and most importantly you as the spectator for assisting us in making this another successful country Fair.

Stephen Wilson  
President

## ROYALLA COMMON

The Common is a beautiful central public open space, 12.5 hectares, offering a special place for community activities, recreation or just taking a walk. Features currently include the Elm Grove with walking tracks, amphitheatre, ruin, hay shed and open grass playing field. Proposed future facilities include a community hall which is under construction, car parking, play ground, BBQ and picnic areas, multipurpose courts, arena and further stages of the Elm Grove paths. The Common under the management of the s355 volunteer committee is available for community use and enjoyment and to hire for private functions.
